### MRS. CORA B. MILLER MAKES A FORTUNE

Started a Few Years Ago with No Capital, and Now Employs Nearly One Hundred Clerks and Stenographers.

Until a few years ago Mrs. Cora B. Miller lived in a manner similar to that of thousands of other very poor women of the average small town and village. She now resides in her own painted brown-stone residence, and is considered one of the most successful business women in the United States.

Mrs. Miller's New Residence, Earned In Less Than One Year.

Several years ago Mrs. Miller learned of a mild and simple preparation that cured herself and several friends of female weakness and piles. She was besieged by so many women needing treatment that she decided to furnish it to those who might call for it. She started with only a few dollars' capital, and the remedy, possessing true and wonderful merit, producing many cures when doctors and other remedies failed, the demand grew so rapidly she was several times compelled to seek larger quarters. She now occupies one of the city's largest office buildings, which she owns, and almost one hundred clerks and stenographers are required to assist in this great business.

**Million Women Use It.**

More than a million women have used Mrs. Miller's remedy, and no matter where you live, she can refer you to ladies in your own locality who can and will tell any sufferer that this marvelous remedy really cures women. Despite the fact that Mrs. Miller's business is very extensive, she is always willing to give aid and advice to every suffering woman who writes to her. She is a generous, good woman and has decided to give away to women who have never used her medicine \$10,000.00 worth absolutely FREE.

Every woman suffering with pains in the head, back and bowels, bearing-down feelings, nervousness, creeping sensations up the spine, melancholy, desire to cry, hot flashes, weariness, or piles from any cause, should sit right down and send her name and address to Mrs. Cora B. Miller, Box 824, Kokomo, Ind., and receive by mail (free of charge in plain wrapper) a 50-cent box of her marvelous medicine; also her valuable book, which every woman should have.

Remember, this offer will not last long, for thousands and thousands of women who are suffering will take advantage of this generous means of getting cured. So if you are ailing, do not suffer another day, but send your name and address to Mrs. Miller for the book and medicine before the \$10,000.00 worth is all gone.

TOMORROW afternoon at the Boys' field will be seen the event of the year in track games of the Territory. The championship meet will be held and unless the indications are far wrong there should be some records smashed before the end of the games. From the entry list the Kamehameha Alumni should be able to win the cup offered for the club scoring most points. In the field events they are very strong and should score enough points to make up for any weakness on the track.

The meet will commence promptly at 2 o'clock and with the competent officials who have been selected everything should move off quickly and the games be finished before 5 o'clock. The track is now in good condition and fast time should be made in some of the events.

### SPORTS GREAT INTEREST IN BOWLING

Never before has there been such interest in bowling as is shown at the present time at the Hotel Baths. The boys have simply gone crazy over the sport and the alleys are crowded all day and until 11 o'clock at night. The Knights of the Ten Pins are certainly an enthusiastic crowd, and they all want to see the Hotel Baths people put in another alley, so as to give them more play.

Every evening at 5 o'clock there are special matches rolled by the boys and some good hard struggles result.

Next month the team tournament will be pulled off. The management has offered a valuable cup to the winners and it looks as though at least five teams will enter. There will be teams representing the University Club, Oahu College, Diamond Head A. C., Elks Club and several private clubs about town. These teams will contest once or twice a week and the team making the best average scores during the month will carry off the prize. Rules will be made so that no one team can have the choice of the five best players. In this way teams will be more evenly matched and more interest taken in the play.

Interest is now centered on the merchandise lottery that runs to the first of the month. Six prizes were offered by E. O. Hall & Son, Manufacturers' Shoe Co., Kash Co., T. H. Davies, Myrtle Chair Store and the Bowing Alleys.

Not only the men are taking an interest in the game, but the ladies also play. Several lady teams are forming and some boys play amongst them is expected.

Private parties can engage the alleys at any time upon notice ahead of time.

### NEW SWIMMING CLUB

The juvenile swimmers of Honolulu are anxious to form a swimming club to compete amongst themselves. There are at least 25 fine swimmers outside the Hawaiian Swimming Club, amongst lads about 17 years of age, who are anxious to show what they can do in the water. Those lads have been to the management of the Hotel Baths Co. and desire to make arrangements to hold their meets in the pool.

The much-vaunted water polo match between the Oahu Club and Diamond Head Athletic Club has been put over until about the 15th of next month, at which time a very elaborate program will be offered the public.
